

List of Tables and Figures

Part One National Studies

Chapter 3 The USA

Figure 2.1 Defense Spending as a Share of Federal Purchases in Current Prices (%).....	30
Figure 2.2 Defense Spending as a Share of GDP in Current Prices (%)	31
Figure 2.3 Armed Forces as a Share of Total Labor Force (%).....	32
Figure 2.4 Real Federal Purchases of Goods and Services, 1972–2004 (Billions of 1987 Dollars and %).....	33
Figure 2.5 Composition of Real Defense Expenditure: Armed Forces, Civilian Defense Employment and Purchases of Defense Goods, 1972–2004 (Billions of 1987 Dollars).....	34
Figure 2.6 Real Defense Procurement per Military Employee, 1972–2004 (Thousands of 1987 Dollars).....	34
Figure 3.1 Actual and Predicted Short-Term Interest Rate.....	38
Table 3.1 Multiplier Results for Defense Expenditure Reduction of 1% of Baseline GDP	39
Table 4.1 Baseline Path, 1994–2004.....	42
Table 5.1 Simulating 4% Annual Reductions in Defense Spending Beginning in 1996, with Reductions in Budget Deficit (Differences from Baseline)	47
Table 5.2 Simulating 4% Annual Reductions in Defense Spending Beginning in 1996, with Increases in Non-defense Spending (Differences from Baseline)	50
Table 5.3 Tax Rates in 2004 in Baseline and Tax Reduction Scenarios (%)..	51
Table 5.4 Simulating 4% Annual Reductions in Defense Spending Beginning in 1996, with Reductions in Tax Rates (Differences from Baseline).....	52
Table A.1 Data for Figures 2.1 and 2.2.....	55
Table A.2 Data for Figure 2.3.....	57
Table A.3 Data for Figures 2.4 and 2.5.....	59
Table A.4 Data for Figure 2.6.....	60

Chapter 4 Canada

Figure 2.1 Military Expenditure as a Share of GNP, 1963–93 (%).....	64
Table 4.1 Baseline Scenario	70
Table 4.2 Alternative Scenario	70
Table 4.3 Effects of Reduced Military Spending (%)	71
Figure 4.1 Real GDP Growth Rate	71

Figure 4.2 Long-Term Interest Rate (%).....	71
Figure 4.3 Current Account and Government Surplus, Effects of Reduced Military Spending (CAD Billion).....	72

Chapter 5 Japan

Figure 1.1 Defense Spending as a Share of GDP, 1925–92 (%).....	74
Figure 1.2 Defense Spending as a Share of Government Expenditure, 1925–92 (%)	75
Table 1.1 Defense Spending, by Use (Billion Yen).....	77
Figure 2.1 Government Expenditure as a Share of GDP (%).....	78
Table 2.1 General Government Expenditure as a Share of GDP in the 1980s (%)	78
Table 2.2 Composition of Government Expenditure in Japan: General Account Base (%)	79
Figure 3.1 Japanese Official Development Assistance, 1960–92 (Million USD and %)	80
Table 4.1 Parameter Estimates and Allen Partial Elasticity	82
Table 5.1 Parameter Estimates of Production Function, Including Government Capital Stock	84
Figure 6.1 Impact of Disarmament on Real GDP, Deviations from Baseline, 1993–2000 (%)	86
Figure 6.2 Impact of Disarmament on the GDP Deflator, Deviations from Baseline (%)	87
Figure 6.3 Impact of Disarmament on the Unemployment Rate, Deviations from Baseline, 1993–2000 (%)	88
Figure 6.4. Impact of Disarmament on the Current Account/GDP Ratio, Deviations from Baseline, 1993–2000 (%)	89
Figure 6.5 The Impact of Government Capital Stock on GDP Growth Rate (%).....	89
Appendix: Economic Indicators and Military Spending, 1925–92.....	92

Chapter 6 Germany

Figure 3.1 German Military Expenditure, 1955–93 (DM Billion)	96
Figure 3.2 German Military Expenditure as a Share of GDP, 1900–93 (%)...97	
Table 3.1 Military Expenditure in the Former GDR, 1980–89 (East German Mark)	98
Figure 3.3 The German Bundeswehr, 1956–93 ('000 Person-Years).....	99
Table 3.2 Size and Reduction of Foreign Troops in Germany.....	100
Figure 3.4 West and East German Arms Transfers, 1966–93 (USD Million)	102
Table 3.3 Employment Effect of Domestic and Foreign Demand for Military Purposes, 1988	103
Table 4.1 Military Expenditure in Germany, Scenario A	106

Table 4.2 Foreign Troops and German Service Exports to these Troops, 1989–2000.....	108
Table 4.3 Distribution of a Male Cohort.....	109
Table 4.4 Men Not Enlisted as Conscripts Although Available for Military Service, Depending on Size of the Bundeswehr	109
Table 4.5 Annual Military Personnel Expenditure for a 200,000 All-Volunteer Army (1991 prices).....	110
Table 4.6 Total Expenditure for 200,000 Men All-Volunteer Forces according to ‘Einzelplan 14’ and NATO definitions (DM Million, 1991 prices).....	111
Table 4.7 Military Expenditure in Germany, Scenario B	111
Table 5.1 Simulated Effects for Scenario A, 1994–2000 (Deviations from Baseline).....	113
Table 5.2 Simulated Effects for Scenario B, 1994–2000 (Deviations from Baseline).....	114

Chapter 7 The UK

Figure 2.1 Military Expenditure as a Share of GDP (%).....	120
Figure 2.2 UK Unemployment Rate 1855–1995 (%).....	121
Table 3.1 The UK Defence Budget: History and Forecasts.....	123
Table 5.1. Changes from Base in Employment as a Result of a GBP 2 Billion Cut (Thousands).....	127
Figure 5.1 Difference of Employment from Base under Fixed Nominal Interest Rates (%)	128
Figure 5.2 Difference of Employment from Base under Fixed Real Interest Rates (%)	129
Figure 5.3 Difference of Employment from Base with Inflation Policy Rule (%)	130
Figure 5.4 Difference of Employment from Base under Fixed Interest Rates and Inflation Policy Rule (%)	131
Figure 5.5 Counterfactual Spending Profile (% Difference from Base)	132
Figure 5.6 Difference of Employment from Base under Alternative Policy Regimes (%).....	133

Chapter 8 France

Figure 2.1 Military Expenditure as a Share of GDP (%).....	139
Table 2.1 The Defence Industry in the USA, the European Union, and France, 1992 (in FF Billions).....	140
Table 4.1 Job Variations for the Different Scenarios 1994–97	144
Figure 6.1 Effects on GDP (in Constant Prices) of Reduction in Military Expenditure 1996–2015. Deviations from Baseline (%).....	156
Figure 6.2 Effects upon Unemployment of Reductions in Military Employment 1996–2015. Deviations from Baseline (1000 Persons).....	157

Table A.1 Simulation 1: Macroeconomic Impact 1996–2015 of a Gradual Reduction in Military Spending 1996–2005 (Difference from Baseline).....	161
Table A.2 Simulation 2: Macroeconomic Impact 1996–2015 of a Gradual Reduction in Military Spending 1996–2005, Including Effects on Military Exports (Difference from Baseline)	162
Table A.3 Simulation 3: Macroeconomic Impact 1996–2015 of a Gradual Reduction in Military Spending 1996–2005, Including Effects on Military Exports and Slower Conversion to Civilian Production (Difference from Baseline)	163
<i>Chapter 9 Italy</i>	
Figure 2.1 Italian Defence Expenditure 1866–1990 (Billion Lire, Constant 1980 Prices)	167
Figure 2.2 Italian Defence Expenditure as a Share of GDP 1866–1990 (%)	168
Table 2.1 Italian State Expenditure by Major Function 1862–1963 (%)	169
Table 2.2 Italian State Expenditure as a Share of GDP 1862–1963 (%).....	170
Table 2.3 Italian Defence Expenditure 1950–77, Relative Measures (%).....	173
Table 2.4 Growth of Italian Defence Expenditure and GDP 1950–77 (Billion Lire, Constant 1980 Prices)	174
Table 3.1 Expenditure for Military Equipment and Services 1975–92 by Type of Goods (Billion Lire, Constant 1985 Prices).....	176
Figure 3.1 Italian Defence and Ministry of Defence Expenditure 1985–94 (Billion Lire, Constant 1985 Prices)	177
Figure 3.2 Investment Expenditure of the MOD and its components 1986–95 (Billion Lire, Current Prices)	178
Table 4.1 Simulation 1: Complete Disarmament.....	181
Figure 4.1 Simulation 1: GDP and Consumer Price Index. Percentage Difference from the Baseline Solution	182
Figure 4.2 Simulation 1: Unemployment and Interest Rate. Percentage Point Difference from the Baseline Solution	182
Table 4.2 Simulation 2: Maintaining Military Expenditure at the Real 1989 Value.....	183
Figure 4.3 Simulation 2: GDP and Consumer Price Index. Percentage Difference from the Baseline Solution	184
Figure 4.4 Simulation 2: Unemployment and Interest Rate. Percentage Point Difference from the Baseline Solution	184
Table 4.3 Simulation 3: Disarmament and Tax Reduction	185
Figure 4.5 Simulation 3: GDP and Consumer Price Index. Percentage Difference from the Baseline Solution	186
Figure 4.6 Simulation 3: Unemployment and Interest Rate. Percentage Point Difference from the Baseline Solution	186

Chapter 10 Greece

Figure 2.1 Real Military Expenditure of Greece and Turkey (USD Million, at 1980 Prices and Exchange Rates, 1952–92).....	194
Figure 2.2 Military Expenditure of Greece and Turkey (% of GDP, 1952–92)	194
Figure 2.3 Shares of Personnel Wages & Salaries and Procurement & Construction in Real Military Expenditure (%).....	195
Figure 2.4 Real Military Expenditure, Personnel Wages & Salaries and Procurement & Construction (DRS million, 1970 Prices).....	195
Table 2.1 Main Defence Indicators of the Balkan Countries	196
Table 2.2 Cumulative Figures of US Post-War Aid to Greece and Turkey 1946–88 (USD Million)	197
Table 2.3 FMS Repayment Obligations of Greece, 1987–96 (USD Million)	198
Table 2.4 Economic Data on Greece's Four Key Defence Industries for 1993 (DRS billion)	199
Table 3.1 Equation Diagnostics	203
Table 3.2 3SLS, System Estimates, 1960–92	204
Table 4.1 Developments under the Reference Scenario, 1994–2000.....	209
Table 4.2 Macroeconomic Effects of Disarmament: The Consumption Scenario, 1995–2000 (Percentage Deviation from Reference Scenario) .	210
Table 4.3 Macroeconomic Effects of Disarmament: The Investment Scenario, 1995–2000 (Percentage Deviation from Reference Scenario) .	211
Table 4.4 Macroeconomic Effects of Disarmament: The Tax Scenario, 1995–2000 (Percentage Deviation from Reference Scenario).....	212

Chapter 11 Turkey

Table 2.1 Turkey: Regional and Global Comparisons 1991 (Absolute Figures)	217
Table 2.2 Turkey: Regional and Global Comparisons 1991 (Relative Figures)	218
Figure 3.1 Defense Expenditure in Turkey	220
Figure 3.2 GNP and Defense Expenditure per Capita (USD)	221
Figure 3.3 Defense, Education, and Health Expenditure, 1924–94 (%).....	222
Figure 3.4 Defense and Health Expenditure Shares in the Budget, 1924–94 (%).....	223
Figure 3.5 Shares of Defense and Education Expenditures in the Budget, 1924–94.....	224
Table 4.1 Alternative Policies and their Economic Effects (Ranking in Parentheses).....	227
Figure 4.1 GDP 1995–2004 (Percentage Deviation from Baseline)	228
Figure 4.2 GDP Deflator 1995–2004 (Percentage Deviation from Baseline).....	229

Figure 4.3 Unemployment Rate 1995–2004 (Deviation from Baseline)	230
Figure 4.4 Foreign Trade Surplus as % of GDP (Deviation from Baseline)	231
Figure 4.5 Real Wage Rate (Deviation from Baseline)	232
Figure 4.6 Labor Productivity (Deviation from Baseline)	233
Appendix. Expenditure on Defense, Health, and Education, 1923–94	236

Chapter 12 The Netherlands

Figure 2.1 Dutch Military Spending as a Share of GDP (%)	242
Figure 2.2 Military Employment as a Share of Total Employment (%)	243
Table 2.1 Key Figures on Dutch Defence, 1985–98	244
Table 2.2 Disarmament in the Netherlands, 1998	245
Table 5.1 Exogenous Impulses in Simulations (% of GDP)	250
Table 5.2 Cumulated Effects of Several Cuts in Military Spending after Eight Years (Deviation Between Simulation and Baseline)	255

Chapter 13 Denmark

Figure 2.1 Military Expenditure as a Share of GDP (%)	260
Figure 2.2 Military Expenditure as a Share of Central Government Expenditure (%)	261
Figure 3.1 Total Military Expenditure 1986–95 (DKK billion, 1995 Prices)	262
Table 3.1 Reductions in the Danish Defence Budget, Current Prices, 1989–94 (Million DKK)	263
Table 4.1 Military Expenditure 1989–94 (DKK Billion in 1995 Prices and %)	264
