

ACKNOWLEDGEMENTS

In writing this monograph, we have benefited from the generosity, insightful comments and constructive suggestions of Felix Chan, Clive Granger, Jerry Hausman, Thierry Jeantheau, Christine Lim, Shiqing Ling, Matteo Manera, Colin McKenzie, Les Oxley, Peter Phillips, Dan Slottje and Rob Taylor. Participants at a number of seminars and conferences also provided helpful comments and suggestions.

We are grateful to the editor and staff of the International Country Risk Guide for helpful correspondence regarding the risk ratings data.

The financial support of the Australian Research Council and the Vice-Chancellor's Discretionary Research Fund at the University of Western Australia are gratefully appreciated.
