Emerald's Environmental Policy

Emerald Group Publishing Limited recognizes that environmental issues are of concern to its clients, employees and the community as a whole. We will work in partnership with them, our suppliers and regulatory authorities to address the environmental impacts of our activities, products and services and aim for a sustainable environment.

We are committed to:

- Continual improvement of our environmental impacts
- Prevention of pollution
- Complying with legal and other requirements which relate to our environmental aspects
- Setting and reviewing realistic environmental objectives and targets

- Promoting awareness of global environmental matters via dissemination of relevant publications.

Emerald Group Publishing Limited, Howard House, Environmental Management System has been certified by ISOQAR to

ISO 14001:2004 standards.

This brochure has been produced from sustainable paper sources. Further copies can be supplied electronically or downloaded from www.emeraldinsight.com
