

# INDEX

- Act XXI (1959), 67  
Aditya Birla group, 100  
Advice  
    European Union (EU), advice  
        regulation (developments),  
        36–38  
    Europe, financial advice  
        (regulation/governance), 33  
    gap, creation, 43  
    market, technology (impact),  
        46–47  
    online advice, cost, 47  
    payment, 41–44  
    regulated financial advice,  
        definition, 38–40  
    role, 35–36  
    suitability, 44–46  
*Against the Gods* (Berstein), 280  
Agencification phenomenon, 242  
Agency problems, cash  
    accumulation, 95  
Aid to Industries (Act XXI), 67  
Alternative Investment Fund  
    Managers (AIFMs), 230,  
    232  
American National Election Studies  
    (ANES) surveys, 125  
Anil Ambani group, 100  
Annual general meeting (AGM), 70  
    cooperative members, interaction,  
    79–80  
    uselessness, 65  
Anti-money laundering, failures, 20  
Apex organisation, 77, 83  
Articles of Association, change, 150,  
    152–153  
Asymmetric information, effects,  
    235  
Auditors, remuneration, 101–102  
Audit statement, 185–187  
Australian Law Reform  
    Commission, suggestions,  
    177–178  
Austria  
    foreign currency/repayment  
        vehicle loans, risk,  
        243–244  
Austrian Banking Act (BWG), 230,  
    243–244  
Austrian Financial Market  
    Authority (FMA), 230,
